

In 2010, join us WEDNESDAY NIGHTS for:

## “Stars on the Water”

### Astronomy Nights at 4-H Tidelands Nature Center

**What:** Enjoy some of the darkest night skies in Georgia and see stars and planets through our 7-inch telescope! Each program begins at sunset with an audio-video presentation highlighting current astronomical events -- learn what planets are where, when to look for meteors, and how to see the International Space Station. As our sky darkens we turn our telescopes skyward for a closer look at constellations and deep sky objects.

**Ages:** All ages welcome!

**When:** Every *other* Wednesday (June 2<sup>nd</sup>, 16<sup>th</sup> & 30<sup>th</sup>, July 14<sup>th</sup> & 28<sup>th</sup> & August 11<sup>th</sup>)

**Time:** 9:00-10:00PM

**Where:** Tidelands Nature Center – beside Summer Waves on Jekyll Island.

**Cost:** \$5 per adult, \$3 per school-age child, small children free.

*\*Includes admission to the Tidelands Nature Center Exhibits\**
