

Join us WEDNESDAY NIGHTS for:

“Stars on the Water”

Astronomy Nights at 4-H Tideland Nature Center

*Come enjoy some of the darkest night skies in Georgia and see the stars through our 7-inch telescope!

*Hear some of the stories behind the stars and how to find true north at any time of night!

*Learn how birds and sea turtles use the sky to find their way and how we can help them on their journey.

Time: 9:00-10:00PM

Dates: Wednesday, August 19th, 2009. Fall dates TBD. Call for info.

Place: Tideland Nature Center – beside Summer Waves on Jekyll Island.

Age: All ages welcome!

Cost: \$5 per adult, \$3 per school-age child, small children free.

For more information contact us at: (912) 635-5032

Or by email at: englandb@uga.edu
