

**Sunday -Feb. 19<sup>th</sup>, 2012- 10<sup>th</sup> Annual**  
**'4-H Tidelands Nature Center'**  
**'ART INSPIRED BY NATURE' SALE**

Art Sale Exhibitors:

Thanks for your interest in participating in the **10th Annual 4-H Tidelands Nature Center Art Sale Benefit!** Once again, this year the art sale will be held from 10:00am- 4:00 pm in the temporary Jekyll convention facility located in the historic district, adjacent to the Morgan Center. Look for a set of buildings that look like big white circus tents. (Don't worry, they are not really tents- it's a great facility). We will be setting up in Magnolia Hall. The event will be held on a **SUNDAY**, we anticipate foot traffic flow throughout the day, with the help of church-goers attending in the afternoon, along with morning visitors to the historic district and early-bird island residents stopping in to shop for some of their favorite art sale treasures. Plan to arrive on Sunday between 8:00am- 9:30am for exhibit set up.

We are requesting a minimum **\$90.00** donation to Tidelands Nature Center for your exhibit space. However, keep in mind if you require electricity for your exhibit space, there will be additional charge of **\$20.00**. **Anyone interested in making a greater contribution is certainly welcome!** ☺ Anyone interested in donating a piece of art work for our silent auction, please let us know as soon as possible. We would like to showcase as many artists as possible in our silent auction this year. Please indicate with your application if you will be contributing a piece of art work this year. Your generous donations are greatly appreciated.

Please make checks payable to: **Georgia 4-H Foundation**, indicating 'Tidelands' in the memo section of your check. Donations are tax deductible. Your donation will assist with the development of exhibits at Tidelands Nature Center. **Please send payment after January 1<sup>st</sup>** to: Tidelands Nature Center 100 Riverview Dr., Jekyll Is. GA 31572. Please contact us as soon as possible by telephone to ensure your exhibit space and to share information on your booth space needs.

A great deal of effort will be put into local advertising to ensure another successful show. We look forward to another great year, with another wonderful array of local artists. And once again, we hope to the **10<sup>th</sup> Annual 'Tidelands' Art Sale** will be beneficial for all involved!

Thanks again for your participation and support. We look forward to seeing you on **February 19<sup>th</sup>!** Please call **(912) 635-5032**, if you have any questions or concerns.

Sincerely,  
Dawn Zenkert  
Tidelands Coordinator
